Hematite Stars and Crystal Rondel Set

Trimits™
Inspiring Creativity

NECKLET MATERIALS

Wire & Thonging

- Tiger Tail jewellery wire (**JETT**)
- 1mm black bead Thonging (**CRC1**)
- Silver 24 and 20 gauge beading Wire (**JEBW6 & 8**)

Beads

- 24mm Hematite stars (**575**)
- 8mm Hematite stars (**573**)
- 8mm Crystal Glass Rondels (**558/15**)
- 4mm Crystal Glass Rondels (**554/15**)
- Iris Crystal Embroidery Beads (**140/001**)

Findings

Silver coloured (nickel free)

- 2mm crimp beads (**268/01**)
- Flat clasp (**266/01**)
or bolt & spring rings (**260/01**)

EARRINGS MATERIALS

Wire

- Silver 24 gauge beading wire (**JEBW6**)

Beads

- 8mm Hematite stars (**573**)
- 4mm Crystal Glass Rondels (**554/15**)

Findings

Silver coloured (nickel free)

- Head pins (**255/01**)
- Ear wires with hook (**256/01**)
- Jump rings (**263/01**)

Tools

- Round nose pliers (**JE04**)
- Bent nose pliers (**JE01**)
- Side cutter pliers (**JE02**)

Necklet Instructions

- 1 Cut 2 x 6cm lengths of thonging. Bend over 1 cm of one end and loop through 1 x 24mm star. Cut 12cm x 24 gauge wire and wrap it around the thonging working from the loop for 5mm. Cut off excess wire and use a pliers to ensure the wire is flattened against the thonging.
- 2 Slip 1 x 8mm rondel on and wrap a loop with 12cm x 24 gauge wire, as shown in step 1. Repeat again on opposite side of star.
- 3 Repeat steps 1 and 2.
- 4 Cut 4 cm of 24 gauge beading wire, bend double, add 1 x 24mm star and push it to the bend. Use a round nose pliers to form an eye at one end of the wire and wrap the other end round the stem, securing both the star and the eye tightly.
- 5 Wrap 20 gauge beading wire around a round nose pliers to form a jump ring and cut off the excess wire. Connect the jump ring through the 24mm star.
- 6 Cut 14cm of Tiger tail and loop it through the eye on the 24gauge wire. Thread 1 x 8mm rondel and push rondel up to eye. On each wire add 3 x 4mm rondel, 1 x 8mm star, 5 x 4mm rondel, a crimp bead, a thong loop and pass the wire back through the crimp. Secure each crimp bead and cut off excess thread.
- 7 Cut 3 x 16 cm lengths Tiger Tail and loop each length through the jump ring. Thread all 6 ends through 1 x 8mm rondel and push the rondel up to the jump ring.
- 8 Thread 7 x 4mm rondels onto 1 of the ends, 1 x 8mm star, a crimp bead, 1 x embroidery bead. Push the tiger tail back up through the crimp bead and flatten, cut off excess tiger tail. Repeat with other 5 ends.
- 9 Cut 2 x 20cm Tiger Tail and secure each one with a crimp bead through the thonging loops of the 24mm star. On each side thread 5 x 4mm rondel, 1 x 8mm star and repeat four times. Add 7 x 4mm rondels and secure ends to the flat clasp with a crimp bead. Cut off excess beading wire.

Earrings Instructions

- 1 Thread 5 x 4mm rondels and 1 x 8mm star onto 3 of the head pins and trim to 5mm.
- 2 Thread 3 x 4mm rondels and 1 x 8mm star onto 1 x head pin and trim to 5mm.
- 3 Cut 1 x 12 cm lengths 24 gauge wire and bend into a circle.
- 4 Make a backwards eye at one end and thread 6 x 4mm rondel, 1 x bead head pin, 1 x 4mm rondel, 1 x bead head pin, 1 x 4mm rondel, 1 bead head pin and 6 x 4mm rondel. Finish by making a backward eye at the end of the wire.
- 5 Thread 1 x jump ring through one eye of the beaded wire circle, the short beaded head pin, the other eye of the beaded wire circle and an ear wire with hook.
- 6 Repeat for other earring.
